Procedures APPENDIX G

FOUNDER REGION ELECTION PROCEDURES

PERSONNEL:

The governor appoints the Elections Chairperson, committee and one teller from each district. All tellers should remain in a specified area or room until the elections results are announced to the conference body. Confidentiality of voting procedures and results must be maintained by all members of the Election Committee.

ROOM ARRANGEMENTS:

The election room should have an entrance and an exit door. Tables at which delegates may register should be arranged across the front of the room close to the entrance door. Other tables should be placed behind the registration area for voting. Ballot boxes (boxes with lids with a slot for ballots) are to be placed near the exit door. Additional supplies as needed to amend the ballots, such as, computer, printer, pens, pencils, hole punch and stapler.

BALLOTS:

Ballots shall have candidates' names listed in alphabetical order for each position being elected. There must be one line to provide for write-ins for each office. The ballots are duplicated on paper of the color assigned to each district.

Voting shall be by ballot unless there is only one candidate for office; in such event voting shall be by voice vote.

A majority shall elect. If a majority is not received on the first ballot, a re-ballot shall occur between the two candidates receiving the most votes.

DELEGATE ROSTER:

The roster of delegates shall be prepared upon close of registration on Friday. Make several copies of each district roster. Region board members vote within their district and their names appear at the top of each roster, with clubs following in alphabetical order. The total number of eligible voters in each district is determined by the Credentials chairperson from those registered, in attendance and eligible to vote.

VOTING PROCESS:

When polls open, two persons stand at the entrance door to verify name tags and credential cards, directing each person to their district registration area. Tellers serve to register each delegate on the roster of credentialed delegates for their district, punch the voting card, hand out a ballot and direct them to the balloting area. One person directs the placement of ballots in the ballot boxes and gives directions to the exit door.

Ten minutes before the close of polls, the Elections chairperson checks the voting roster and sends a list of those who have not voted, by district, to the governor.

BALLOT COUNTING:

1. Blank ballots are ignored.
2. If a blank and a filled-out ballot are folded together the blank is ignored and the filled-out ballot counted for each candidate.
3. If two or more filled-out ballots are folded together, they are ignored and counted as one illegal ballot.
4. If more than one candidate is checked for a given office that particular section is counted as an illegal vote.
5. Unintelligible ballots are treated as illegal.
6. If a delegate leaves one or more choices blank on the ballot, any spaces filled in are to be counted.

When counting the ballots, assign two persons per district:

One person counts and the other one tallies.

Reverse roles and check the results.

If there is a discrepancy, recount.

All legal and illegal ballots are counted in the total vote to compute the majority needed to elect.

Additional Guidance for Nominating Committee

August/September - The Chair of the Nominating Committee shall contact the Committee members and set up a conference call to review the guidelines and calendar. The Governor should be included on the conference call to provide an overview and answer any questions.

On or before October 1 of the year preceding the Region Conference, the Chair shall email a letter to all Nominating Committee members, who will in turn email all club presidents within their District, requesting names of regular members for consideration by the Nominating Committee. Clubs shall reply to the Committee members with their proposed nominations by **December 1**.

District committee members will send all nominations to the chair for review. The chair will then send each committee member their list of candidates for follow-up with letters of consent, resume instructions and position description for the candidates.

By December 15th, the Committee members shall email letters to the proposed candidates explaining the eligibility requirements and position descriptions for the offices for which they have been nominated. A consent form shall also be sent. Candidates must reply to the Committee member by January 15th by email. They should include the signed consent form, a resume in MS Word format, and a color photo in JPEG or PDF format. All Committee members will share the files received with each other and the Chair.

The Committee shall review the materials sent by the candidates that were submitted by January 15 to ensure there is one or more qualified nominee for each office. If no candidate accepted the nomination then the Committee is to seek other candidates to fill the slate. The Chair will determine the approach for this, depending on which office needs candidates. Suggestions for candidates could be solicited from the Governor, the current District Director, and/or by contacting clubs and/or members for suggestions.

By February 1st a master copy of the official list of nominations must be given to the Governor and Region Secretary with the Region Secretary also receiving resumes and photos. The Region Secretary will include this information in the Call to Conference. Resumes and photos can be sent to the Region Secretary **as they are received** so that she can begin to compile the document for the Call to Conference.

All information regarding the nominations is confidential between the Nominating Committee, the Region Secretary and the Governor. No information is to be shared as to who has been nominated. The information becomes public when the Call to Conference is published.

By April 1, send an email to all nominees to thank them for accepting the position and to remind them that if attending the Conference, they need to present a speech, no longer than two minutes. If they are not attending the Conference, they may prepare a video as their speech, which must be submitted to the Governor no later than April 15. They may also have someone read their speech on their behalf. Make sure the email includes this important information: IF ATTENDING THE CONFERENCE, PLEASE PLAN TO ATTEND THE INSTALLATION ON SATURDAY EVENING.

At the Region Conference

The Nomination Chair/Committee will determine how to make the candidates noticeable at the Region Conference, with approval from the Governor. Examples include candidates wearing buttons, corsages, blinking lights, etc.

The Chair/Committee member shall read the slate of nominees at the Region Conference meeting.

Committee members shall have consent and resume forms available at conference for those nominations coming from the floor. Nominations may be made from the floor not later than one hour before the time set for opening the polls, provided the consent of the nominee has been obtained, the qualifications set forth in the bylaws are met, and a resume is provided to each member of the voting body before the polling begins. Voting body is determined by the position the candidate is running for, i.e.: district or region. If a district position (Region District Director or Fellowship District Director), then only those delegates from the respective district would need a resume. If a region position (Governor-elect, Secretary, Treasurer), then all delegates would need a resume.

The Chair is to verify eligibility of the candidate prior to being nominated from the floor. The Chair is to notify the Governor as soon as possible of additional candidates or withdrawals.

Only delegates may nominate candidates.

The delegate states her/his name, club, and "I nominate _____ for the position of _____". The Governor asks if consent has been given and adequate resumes prepared. The delegate responds in the affirmative and delivers the resumes to the pages to be distributed.

If a candidate chooses to withdraw her/his name from nominations, a formal letter of withdrawal from the nominee shall be given to the Nominating Chair and the Governor.
